Woulda, Coulda, Shoulda

French

"Woulda" (I would have done something). Use past conditional of main verb.

J'aurais fait mes devoirs.
(I—would have—done—my—homework)

"Coulda" (I could have done something). Use past conditional of *pouvoir* + infinitive of main verb.

J'aurais pu faire mes devoirs.
(I—would have—been able to—do—my—homework)

"Shoulda" (I should have done something). Use past conditional of *devoir* + infinitive of main verb.

J'aurais dû faire mes devoirs.
(I—would have—been supposed to—do—my—homework)

German

"Woulda" (I would have done something). Use past conditional of main verb.

Ich hätte meine Aufgabe gemacht.
(I—would have—my—homework—done)

"Coulda" (I could have done something). Use past conditional of *können* + infinitive of main verb (making a double infinitive).

Ich hätte meine Aufgabe machen können.
(I—would have—my homework—do—can)

"Shoulda" (I would have done something). Use past conditional of *sollen* + infinitive of main verb (making a double infinitive).

Ich hätte meine Aufgabe machen sollen.
(I—would have—my homework—do—be supposed to)
